

Municipal WiFi:

The goal of TheNet's Municipal WiFi is to provide city wide WiFi-coverage and enable access to our wlan@thenet services in broad parts of cities.

New in 2008:

- Anzère Alpine HotSpot
- Bouveret Alpine HotSpot

Upgrades in 2008:

- Grächen Alpine HotSpot
- Leysin Alpine Hotspot

Roaming Partners:

Users of wlan@thenet Netzone cards can surf on our partner-networks to same conditions as on our wlan@thenet network.

2008 TheNet established new partnerships with following institutions:

- Fachhochschule Nordwestschweiz
- Pädagogische Hochschule Bern (PHBern)
- Université de Lausanne
