

Municipal WiFi:

The goal of TheNet's Municipal WiFi is to provide city wide WiFi-coverage and enable access to our wlan@thenet services in broad parts of cities.

Upgrades in 2009:

- Leysin Alpine Hotspot

Roaming Partners:

Users of wlan@thenet Netzone cards can surf on our partner-networks to same conditions as on our wlan@thenet network.

2009 TheNet established new partnerships with following institutions:

- Hochschule Luzern
- Universität Basel
- Universität Freiburg
- Université de Genève
- Universität St. Gallen
